PERU POLICE DEPARTMENT
VOLUNTARY WITNESS STATEMENT

Case # 16-3941

On Easter Sunday Evening, around 5-6 pm. Kevin Kramer brought our daughter, Madeline Kramer, back to my residence. He was returning her from visitation in which she stayed the night Saturday + then Sunday with him until he brought her back on Sunday. Upon Madelines Return to me, She was playing w/ a toy doctors Kit (Easter Present) I got her. She was inserting the stick thermometer in my mouth and it sounded like she said "Haws my cock." Then she made herself choke on them by shoving them down her throat (deep in her mouth) Later around 7 pm She was manually (digitally) stimulating herself on her genitals w/ her fingers in what seemed like an Adult type sexually advanced, behavior for a 3 yr old. She said daddy did that to her, touched her crotch and undies. She also said he touched her crotch with her toys. (multiple times) This has happened frequently, but I've been told (advised) to not make reports so that Kevin will drop his court petitions. I don't wish to have DCFS involved. They don't help + put me more problems.

The videos + evidence I do not wish to send in for the fact I don't want to risk unprofessional handling of investigating

(live recorded + documented)

I have read the above statement consisting of 1 pages and attest that it is a true and accurate account of the events which took place on or about 3/27/16. It was given to me voluntarily, without any fear of threat of promise of reward.
